FACULTY
Our full-time faculty are experts in their fields and hold doctoral degrees and/or law degrees. Prolific researchers, they have published numerous articles and books, and often bring to their courses prior practical experience from their work in government, the private sector, and nonprofit organizations.

Courses typically provide a mixture of lecture and class discussion and encourage the expression of a variety of viewpoints. Our faculty are dedicated to working closely with students to engage them in learning about politics and advise them throughout their college careers.
