REQUIREMENTS

Department of Recreation Administration

Bachelor of Science Degree Requirements Recreation Administration Major

1. Major requirements (68 units)

The following core program courses are required of all candidates for this degree. Additional required courses dependent upon the selected emphasis area.

Core Courses (27 units)

RA 55, 60, 73S, 77S, 80, 101, 125, 128, 179, 180

Recreation Therapy Emphasis Area (41 units)

RA 142, 144A, 144B, 148, 149, 184; BIOL 33; PSYCH 66; CFS 38 (38 units)

Select from the following: PSYCH 101, 102; COUN 174; CFS 131, 136; CRIM 100, 120; SOC 143, 147, 168; GERON 103, 132, 161; PHTH 105 (3 units)

2. General Education requirements (49 units)

3. Other requirements (9 units)

American Government and Institutions (PLSI 2), Multicultural and International (MI), and Upper-division writing

4. Sufficient elective units to meet required total units (varies)

5. Total units (120)*

* G.E. and MI courses can be double-counted with major requirements. The writing requirement may be met by taking the upper-division writing exam. Consult the department chair or faculty advisor for additional details.

Advising Notes

1. CR/NC grading is not permitted in the recreation administration major with the exceptions of REC 74, 75, 82, 83, 84, 86, 87, 88; RA 115, and 192T.
2. General Education and elective units may be used toward a minor (see departmental minor below). Consult the appropriate department chair, program coordinator, or faculty advisor for further information.
3. Students who must complete a course to fulfill the Upper-Division Writing Skills requirement are advised to take HHS 116W.
4. All Recreation Administration courses used in the major must be completed with a grade of C or higher.

In compliance with Federal Requirements for Posting Licensure and Certification Eligibility, please see the CSU Chancellor's Office calstate.edu website.

FACULTY

Faculty are committed to providing a high quality professional preparation program in recreation and leisure services, founded on a competency based curriculum. Our graduates acquire specific skills as identified by practitioners, faculty, and the Council on Accreditation of Parks, Recreation, Tourism, and Related Professions. These competencies are related to

leadership, program planning, recreation and leisure oriented activities, budgeting, evaluation of programs and personnel, history, professional ethics, philosophy, research techniques, marketing and public relations, communication skills, organizational systems, laws and legislation, facility management and administration, and therapeutic techniques. Students may elect to study: (1) community recreation and youth services, (2) commercial recreation and event planning, (3) adventure recreation and tourism, (4) sports and entertainment facility management, (5) recreation therapy.

For faculty phone numbers and e-mail, see the campus directory.

For more on the faculty, see the faculty pages.

The faculty pages are updated by the department or program.
