

Health and Human Services Interdisciplinary Courses

Health and Human Services

The College of Health and Human Services offers the following interdisciplinary certificate programs open to all students. These programs provide students with an opportunity to interact with various university disciplines that have a common purpose and with professionals who are working cooperatively in an interdisciplinary setting.

Additional interdisciplinary courses offer students from any discipline both basic and continuing professional education.

Certificate in Alcohol/Drug Studies

A certificate of special study is awarded to those students who successfully complete a minimum of 12 units of interdisciplinary academic coursework in the area of alcohol and drug abuse. Students seeking the certificate:

1. must have completed two years of college or two years of experience related to the field of alcohol/drug abuse
2. must be regularly enrolled in the university

All coursework must be taken for a letter grade and completed with a grade of *C* or better in each of the 9 required units and the 3 units of electives. The following list includes the course requirements for the certificate:

	<i>Units</i>
Requirements	9
HS 110: Drugs, Society, and Health	
HS 111: Alcohol and Alcoholism	
SWRK 129: Treatment of Chemical Dependency	
Elective(s)	3
Select 3 units from the following listings:	
CRIM 141: Alcohol, Drugs, and Criminality	(3)
WS 115: Women, Children, and Alcohol	(1)
WS 150T: Women and Alcohol	(1)
CRIM 190, HS 190, SWRK 190, or WS 190: Independent Study on selected aspects of alcohol/drug abuse	(1)
Total	12

For more information, call the Department of Health Science at 559.278.4014.
