Letter of Recommendation

The program requires three letters of recommendation from individuals who are able to comment on your professional abilities, including your ability to perform well with the advanced study in planning, your personal character, and the likelihood that you will do well in the program. List the individuals from whom we should expect to see a letter written on your behalf. The letter should be e-mailed directly from the recommender to the coordinator of the Certificate Program of Advanced Study in Community and Regional Planning Program, Dr. Hongwei Dong: hdong@csufresno.edu, with “CRP letter of recommendation for students-name” in the subject line.

Documentation Checklist

Your application to this Program is only complete when you are able to check each of the following:

- All students: Complete the CSUMentor Online Application (use code CERT330). Remember, we cannot evaluate your other application materials without the completion of an online application.
- All students: Complete the Advanced Study in Community and Regional Planning Program Application for Admission (this form, which is separate from CSUMentor), and return it to the program.
- All students: Attach a Curriculum Vita/Resume detailing your additional education and related work experience applicable to this program.
- All students: Submit three recommendation letters as outlined in this application.
