Check the term in which you are traveling:

Fall 2017 Winter 2018 Spring 2018 Summer 2018 All Year

Approximate Travel Dates: _____

Please note: This is **NOT** the Diversity in Study Abroad Grant Application, you can access the application here: www.fresnostate.edu/cge/documents/abroad/DiversityApplication.pdf. Please contact the Study Abroad & International Exchanges Office, Family Food Science, room 119, 559.278.6452 for additional information.

Our Faculty led trips were previously awarded IRA funding as a group, so students do not need to apply on an individual basis. Refer to your Faculty leader, listed on our website (<http://www.fresnostate.edu/cge/international/travel/index.html>) for additional information. It is under the Faculty leader's discretion as to who will receive IRA grants from their trip.

Funding preference is given to study abroad programs, or individuals, that are not already receiving funds from any other Instructionally Related Activities (IRA) projects. Students are expected to share what they gain from their study abroad experience with fellow students and faculty upon their return via a follow-up service project.

Submit this application in person to **Continuing and Global Education, Kremen Education building, room 130, 559.278.0165** or by email, to travelgrants@mail.fresno.edu. Please attach two essays, 1) **Statement of Purpose** addressing the impact that this study abroad program will have on you and 2) **Service Project Proposal** on how you plan to share your study abroad experience with student groups, in a classroom, or at a promotional event. Explain how you will inspire others to participate in a study abroad program if given the opportunity to share your experiences.
