

CALIFORNIA STATE UNIVERSITY, FRESNO

**MAY-JUNE INTERSESSION 2017
SCHEDULE OF COURSES**

MAY 22-JUNE 9, 2017

REGISTRATION BEGINS MARCH 13 - \$290/UNIT

May-June Intersession provides an excellent opportunity to pursue one class intensively, without interruptions and demands of other classes or campus activities. Intersession classes earn resident credit and are open to matriculated Fresno State students as well as to the public.

Why attend Intersession?

- Concentrate on one course at a time
- Maximize student success
- Accelerate time to degree completion
- Explore new academic areas of interest
- Pursue professional development

Are Intersession classes different than regular semester courses?

Intersession courses cover the same amount of material as a regular semester course—in a much, much shorter timeframe. In a 16-week semester, you are expected to study approximately two hours for every one hour of class. During Intersession, you are essentially working full-time on the course. Timing of discussion forums, quizzes and other assignments aim to keep the whole class moving forward together. You will not be able to succeed in Intersession courses if you don't keep up or are planning a long vacation. You must devote significant time each day to complete an Intersession course.

Who may register for an Intersession class?

You are not required to be formally admitted to the university to take an Intersession class. If you are 18 years of age or older or are a high school graduate and have met course prerequisites, you may register for an Intersession class. Matriculated and disqualified students, as well as the public, may take Intersession classes.

If you expect to complete degree or credential requirements through Intersession, you should check with your advisor regarding course applicability. Registration in Intersession does not ensure registration for, or admission to, the university, nor should it be interpreted as acceptance to any degree or credential program. If you are interested in formal admission to California State University, Fresno, contact the Office of Admissions, Records and Evaluations at 559.278.2261.

How to register

You may register for Intersession beginning March 13 through April 19, 2017. Register early to ensure your place in the class of your choice, as each class has an enrollment limit. Fees are \$290 per unit and payment is due no later than April 19. Payments can be made online or at Joyal Building at the Cashier's counter. Indicate that payment is for a Continuing and Global Education class. (Other class fees are applied to general account.) Payments by check should be made payable to "Fresno State."

Matriculated Fresno State students may register by logging in to my.fresnostate.edu. New or non-matriculated students should visit fresnostate.edu/cge/registration/howtoregister.html for registration instructions.

Enrollment will freeze on April 20-21. The final list of Intersession classes will be published on the CGE website on April 22, 2017. Beginning April 22 through May 22, all fees must be paid within 24 hours of registration.

Wait list

Wait lists are available for May-June Intersession. If you are placed on a wait list for an Intersession class, **be sure to check your Fresno State email account daily to find out if you have been moved from the wait list to the class roster.** After April 22, your fees are due within 24 hours after you are placed on the class roster.

Grading option

Select your choice of grading option—Letter or CR/NC (credit or no credit)—choosing only what is available for your class (verify with department if enrolling in person). The grading option you designate is what will be posted on your permanent transcript, providing that option is available for the course.

Changes in Grading Option must be made no later than Friday of the first week of class. For classes meeting four or fewer days, changes in Grading Option must be made prior to the class start date.

A student can elect to audit a class by obtaining the instructor signature on an Administrative Change form and submitting it to the Division of Continuing and Global Education office no later than Friday of the first week of class.

Registration fees and course fees

Registration fees are \$290 per unit and are due no later than April 19, 2017. Registrations that take place on or after April 22 will require payment within 24 hours of registration or your enrollment will be cancelled. Some courses have additional fees for lab materials, etc.; see Classnotes for details.

Financial aid

Financial aid may be available for matriculated students enrolled in a minimum of six (6) units during the summer (May-June Intersession and Summer Session combined). Summer Interest Forms will be available in the Financial Aid Office beginning April 4 and must be submitted by May 6. Questions? Please check with the Financial Aid Office.

You may receive a failing grade unless you officially drop a class. You may drop an Intersession class online at my.fresnostate.edu. To request a refund, complete the program change form at fresnostate.edu/cge/forms and submit it to the Division of Continuing and Global Education.

Serious and compelling drop/withdrawal/refunds
