## PROGRAM

Travel to Florence, Ferrara, Venice, and Rome to discover the history and culture of the Italian Renaissance! Investigate the social, economic, and cultural background which made possible one of the greatest art revolutions in the West, characterized by such masters as Leonardo, Michelangelo and Raphael...while walking the very streets they walked! Based on one week of stateside instruction and two weeks of international travel, our goal will be to learn to appreciate not only the beauty of Renaissance art, but also its meaning and function as a mirror of the society which created it.

Early registration is strongly encouraged. Proof of a valid passport is required prior to the trip. Any disability requiring special attention must be reported to the instructor.
