

General Education Courses — Summer 2017

California State University, Fresno

Fresno State students should use this guide for assistance matching Summer Program offerings to the common GE pattern available online (<http://fresnostate.edu/studentaffairs/advising/students/general-ed.html>). Some students follow different GE patterns. Please check with your advisor if you are unsure. We strongly recommend you use a current DARS report to identify your specific GE needs.

Liberal Studies, Engineering, and Smittcamp Honors College students follow modified General Education patterns and should not use this handout. Please see advisors in those departments for assistance with their unique GE patterns.

Class meeting dates and times are unique. Please see fresnostate.edu/cge for course schedules.
