

**STUDY ABROAD
 COURSE EQUIVALENCE FORM**

Please complete the information below and take this form to the appropriate academic advisor and department chair for approval. This form should be completed before going abroad, so the student will have a better understanding of how the courses taken abroad will be equated to degree requirements at Fresno State. It is recommended that students obtain approval for more courses than they are planning to take while abroad, as schedule conflicts or other obstacles may prevent enrollment in the courses originally planned.

Course approvals are up to the discretion of the appropriate advisor. The study abroad office will not obtain approvals on the student's behalf, nor will they make recommendations to the appropriate advisor for course equivalencies, unless specifically asked by the advisor. Failure to get the courses abroad approved will result in the student receiving general elective credit of ISA 92 or ISA 192 that cannot be changed once it is entered onto the transcript.
