During the COVID-19 pandemic, graduate applicants face challenges over closure of test centers. Here are the changes on graduate admission:

**Will you consider the applicant without GRE or GMAT, if this is required by the graduate programs?**

For Fall 2020 admission, students will be considered for admission without GRE or GMAT scores for the following programs. Admitted students will be required to submit the exam result by the end of the first semester of their enrollment at Fresno State (December 2020).

- Business Administration (MBA)
- Chemistry
- Construction Management
- Industrial Technology
- Kinesiology
- Mechanical Engineering
- Public Health (MPH)

**Are you going to extend the application deadline for Fall 2020 in the present situation?**

We have extended the application deadline to July 1, 2020 for the following selective graduate programs:

- Business Administration
- Civil Engineering
- Civil Engineering-Water Resources & Environmental Engineering
- Construction Management
- Education - Curriculum & Instruction
- Education - Early Childhood Education
- Education - Multilingual & Multicultural Education
- Education - Reading/Language Arts
- Geology
- Industrial Technology
- Teaching
