Speaking Hmong in a Professional Setting

(Module 1)

Speaking Hmong in a Professional Setting

was Developed to enhance linguistic and cultural proficiency of Hmong staff at HSA. The training has an emphasis on Child Welfare terminologies; however, it offers a wide range of information including proper engagement and discussion of sensitive issues, which are relevant to all helping professionals.

This training was designed for Social Workers, Family Services Representatives, Employment and Training Workers, and other helping professionals in Merced County HSA.

The goals of this training are for Hmong bilingual helping professionals to:

1. Build a repertoire of professional language in Hmong.
2. Learn correct language and terminologies associated with the helping profession.
3. Be able to learn cultural innuendo in order to properly communicate in Hmong.
