

SPEECH, LANGUAGE AND HEARING CLINIC

ATTENTION CLIENTS

The Fresno State Speech and Hearing Clinic will implement a new fee schedule for the SPRING 2018 semester as imposed by rules related to national regulations.

Until further notice, the clinic will no longer require a set "fee" for speech, language or hearing services conducted in our clinic. We will transition into a FREE clinic, relying solely on suggested donations for all services. The donations given by the clients in the clinic will fund the numerous materials, supplies, maintenance and technology our clinic needs to remain operational.

The following services are FREE OF CHARGE and *suggested donations* are as follows:

Bilingual Clinic	\$250
Individual Speech and Language Therapy	\$250
Diagnostic Clinic	\$20
Aphasia Clinic	\$35
PEERS Clinic	\$35
Audiology/Hearing Evaluation	\$20
Preschools	\$250
Children of active CSUF students	\$125

Thank you very much for your continued support for our department, our students, our clinic and our university.
