RE: Off Year or Abbreviated RTP Review Process

I have reviewed the proposed Procedures for Periodic Review of Probationary Faculty from the College of Health and Human Services and authorize the implementation of the procedures as proposed in the attached document beginning with Fall 2007 with one exception. Because it would be necessary to revise Academic Policy #325 in order to accommodate your recommendation for a revised review pattern for those with service credit, I have declined that portion of your proposal. Therefore, you will note that the chart entitled "Year of Probation" has been removed from the approved version of the Procedures for the College of Health and Human Services.

I have asked that the Office of Academic Personnel ensure that each probationary faculty member in your college receive notification that the attached procedures for Off Year or Abbreviated RTP Review Process have been approved.

Thank you for your attention to this matter.

SAMPLE SET OF TABLES FOLLOWS

SAMPLE TABLES FOR
OFF-YEAR PERIODIC REVIEW
OF PROBATIONARY FACULTY

NOTE: Each College/School should modify these sample tables to reflect typical probationary plans used in the respective College or School. Probationary faculty members will need to further modify the College/School sample to reflect the expectations of their individual plans.

It is strongly recommended that, in addition to using these tables for off-year review, probationary faculty should also update them and incorporate them in their regular RTP binders as summary pages at the front of the appropriate major sections.
