

LETTER OF INTENT

Please address the following issues in your letter of intent. Length should be 2-3 pages. Use 10-point or larger type.

Name: _____
Last, First, Middle

Discuss your reasons for pursuing the Master of Public Health degree, including the following information:

- A. Discuss your interest in your chosen disciplinary specialization. How have you prepared for Master's level work? Describe your Public Health experiences, both in your undergraduate degree and after.
- B. Discuss your future goals- whether your orientation is administrative, or if you have research and/or doctoral program goals. Also, address how this program will help you meet your goals.
