

Balance Screening For Older Adults

Are you over 55? Are you afraid of falling? Is your balance a constant concern?

Well, fear not! The Senior Awareness & Fall Education (SAFE) program is here to help. SAFE will be holding a screening to assess your strength, balance, and risk of falling.

When: April 04, 2017

Time: By appointment only

Where: California Health Sciences University
45 N. Clovis Ave., Clovis, CA 93711

Please call Melissa Villegas at (559) 278-7539 to schedule an appointment and receive more information.

The logo for the Senior Awareness & Fall Education (SAFE) program. It features a dark blue background with white text on the left that reads "SENIOR AWARENESS & FALL EDUCATION". To the right of the text are two stylized human figures: one in blue falling backwards off a set of stairs, and one in red standing upright. Further to the right, the word "Serving" is written in blue, followed by a list of counties: "Fresno Mariposa", "Madera Tulare and", and "Merced Kings counties". At the bottom of the logo, the website address "www.safecvc.org" is written in white on a dark blue background.
