

Bachelor of Arts, Social Work Upper Division Courses Approved for Additional Major Requirements

The additional major requirement fulfilled by each course is noted in the table below.

Note: This list includes courses selected from the Departments listed below that have already been approved by the Department of Social Work Education as meeting one of the Additional Major Requirements. Not all courses are offered every semester and some have prerequisites. Students should check the Schedule of Courses for each semester when planning their programs. Unless otherwise stated, all courses listed are for 3 units. **NOTE: Cross-listed courses (e.g., Psych [C-2 upper division elective] & WS [cultural diversity]) are approved for a primary area; the course may be applied to the secondary area with approval from your advisor and the department chair. Prior approval from your advisor and the department chair is necessary to use courses that are not on this list (including new courses) to fulfill additional major requirements.**
