

SWRK 181-I Learning Agreement Assignment

1. Agency Assessment Guidelines (EPAS Competency 7 – Assessment)

Students enrolled in SWRK 181-I, Field Instruction A, are required to complete an assessment of the field placement agency in conjunction with the content from their concurrent macro practice course, SWRK 180. Refer to your current SWRK 180 syllabus and course materials for additional information. Share your assessment of the agency with your field instructor/agency supervisor.

Areas to Include in Agency Assessment:

1. The agency's mission and goals.
 2. A description of the organizational structure of the agency.
 3. A description of the community context in which services are delivered by the agency.
 4. Information on specific vulnerable populations served by the agency.
 5. A description of agency services.
-
1. Discuss how social work values are implemented by the agency.
