INTRODUCTION

The Intern Placement Tracking (IPT) system is a web-based monitoring system designed to keep track of students placed in internship with various agencies. Fresno State's Department of Social Work Education implemented IPT in order to more effectively track and access student placement information. IPT also provides a paperless solution for tracking and archiving online field forms, such as learning agreements and performance evaluations.

CONTACT INFORMATION

The IPT system allows both Fresno State and field agencies to communicate regarding student field placements. Because of this, it is essential for students & field instructors to keep all information current. Please become familiar with this system and contact the field secretary with any questions at 278-3992.

Privacy Notice

Though IPT is a web-based system, none of your personal information is available to the general public via search engines such as Google. Your information is password protected and the only people who may view your full information are the CSU, Fresno Social Work faculty and staff, and your current field instructor – only after you have been placed in practicum.

FORMS

- The forms function is one of the most important aspects of the IPT system and it is critical that Fresno State students, field instructors, and agency supervisors understand and look for scheduled forms.
- Forms are online documents that allow students, field instructors, agency supervisors and the field liaisons to complete fieldwork materials electronically rather than in hardcopy form. Several forms will be generated through IPT and it is each user's responsibility to complete their portion of a Form in a timely manner.
- Notifications of when forms are generated are sent via email so it is very important that you keep your email address up to date and check your email regularly.
- It is the student and field instructor's/agency supervisors' responsibility to complete all forms by the scheduled deadlines.
- To access or view a scheduled Form, click on My Forms link on the left hand side of your home page or in the upper left hand section of the Agency Field Instructor Detail page. Also, any form needing action will be indicated by the View Uncompleted Forms link located on the upper right portion of the screen. Click on either link to access your **Online Form List**.

- Each scheduled Form will be listed along with information regarding the progress of the Form. Here you will find a variety of summary information for each form including the name of the form, the student name, the status of the Form (whether it is new, active or complete), whose action is needed (Students, Supervisor, or Field Liaison), and the due date for when the Form should be completed.
- **To complete your portion, click on the View link on the left –hand side of the page.** This will bring up the Form along with required fields for you to fill out. After filling out the Form, you must electronically sign the document by typing your name. Because IPT is a password protected site, meaning only you know your user name and password, your electronic signature constitutes a legally binding document.

- Once a form has been signed, if changes need to be made you will need to contact the Field Coordinator (MSW Students) or the Assistant Field Coordinator (BA Students) to request the signature be cleared.
