

POSITION: Bilingual Social Worker

SALARY: \$43,000 Yearly (Salary Based/Full timer Employee)

PROGRAM VIEW: Esperanza Foster Family Agency is looking to hire two bilingual social workers. One full time worker and one-part worker.

QUALIFICATIONS:

- Master's Degree: Applicant must have completed the Master's program on Social Work from an accredited college or university
- Experience is preferred but not required
- Familiar with the Foster Care System and its requirements
- Communication skills: Ability to communicate with foster parents and children alike

DUTIES/RESPONSIBILITIES:

Under the supervision of a social worker supervisor, the applicant will have a case load of 15 foster children. Weekly visits along with notes will be completed by the applicant as well as communicating with the foster parents, children and their respective county social workers. Quarterly reports will be due every three months and foster children's medical information must be kept up to date. Be available by phone for emergency contact by either foster parents or county workers. More detailed information will be available upon interview.
