

Clinical Case Manager (Bi-lingual/Bi-Cultural) Geriatric Outpatient Services West Program

Agency Overview

Founded in 1889, Felton Institute/Family Service Agency of San Francisco (FSA) is the oldest nonsectarian, nonprofit charitable social-services provider in the City and County of San Francisco. Our mission is to strengthen families by providing caring, effective, and innovative social services, with special emphasis on the needs of low-income families, children, and the elderly and individuals who are disabled, thus improving the quality of life for all San Franciscans.

Program Description

This outpatient program offers comprehensive services for seniors with mental health concerns, helping them to maintain independence and dignity to age in place. Geriatric Outpatient Services – Geary West (GSW) offers mental health services to older adults with severe psychiatric disorders and includes a range of outpatient services, including treatment of dual diagnosis and homeless individuals. Felton Institute has contracts with the Department of Public Health – Community Mental Health Services. The agency is committed to implementing Evidence-Based practices and behavioral health research into community-based mental health services.

Job Description

Under the supervision of the Program Manager, this position participates in a multidisciplinary team providing crisis intervention, evaluation, individual, family, group treatment, and case management for older adults who are at risk due to psychiatric disabilities. Evaluates needs of clients and develops treatment plan in coordination with others for individuals with mental, emotional, or substance abuse problems. May also assist with family, suicide; stress management; problems with self-esteem and assisting clients in applying for and obtaining other social services while providing a safe and supportive environment for agency's clientele and adhering to laws regarding confidentiality and reporting requirements. Activities may include individual and group therapy, crisis intervention, case management, client advocacy, prevention, and education. Maintains accurate detailed observation and progress records for electronic billing data entry. Additional duties as needed.

Program Specific Responsibilities
