Job # 16-SK5

Salary: \$5,857 – 7,412 / Month

Licensed Clinical Social Worker (LCSW) Candidates Encouraged to Apply

SUPPLEMENTAL APPLICATION REQUIRED

LAST DATE TO APPLY: Continuous – Applicants are encouraged to apply as soon as possible. This recruitment may close once a sufficient number of qualifying applications have been received.

THE JOB: This is the advanced journey level classification in the professional Mental Health/Substance Abuse series. Incumbents provide intensive therapy, treatment and diagnosis for the most complex cases and act as a consultant in specialized areas such as adult treatment, after care, families, juveniles, older adults, or mentally ill sex offenders. **There are multiple vacancies in Children's and Adult Mental Health Services, Alcohol and Drug Programs, and the County of Santa Cruz Primary Care Clinics.** Adult Team vacancy - working with individuals with serious mental illness, involved in the criminal justice system; part of an intensive treatment model inclusive of mental health, probation and community-based service programs. Adult Access vacancy - Provide clinical assessment, crisis intervention services and disposition planning to consumers presenting for County Mental Health Services, and Adult Crisis Intervention Services - Provide mental health clinical assessment and crisis intervention services at the main jail as part of the Forensic Mental Health services. Transition Age Youth (adult) - Provide clinical assessments and brief treatment to youth and family for 18-25 year olds, including case management and community linkage. Children's Mental health vacancies providing individual, group, and family therapy to children who are 0-21 years of age. Bilingual Senior Mental Health Client Specialist positions require that the mental health and/or substance abuse clinician be fully fluent in Spanish and English in order to provide the full range of professional level mental health and/or substance abuse services in Spanish, including the facilitation of individual, group, family and crisis counseling. Bilingual clinicians may be asked to translate written clinical materials and interpret for Spanish speaking clients that need to communicate with monolingual English speaking mental health and/or substance abuse professionals. The list established from this recruitment will be used to fill all current and future full-time, part-time, substitute and extra-help vacancies during the life of the list.

THE REQUIREMENTS: Any combination of training and experience, which would provide the required knowledge and abilities, is qualifying. A typical way to obtain these knowledge and abilities would be:

- Possession of a Master's Degree or PhD with a major in Social Work, Psychology, Clinical Counseling, Psychiatric Nursing or a closely related behavioral science field which has included completion of a university approved internship, preferably a clinical internship, in a mental health agency **AND** two years of experience providing treatment, counseling* or case management services to clients in a mental health setting.
- **OR**
- Qualification as a Certified Occupational Therapist or a Licensed Registered Nurse **AND** four years of experience in mental health service delivery.

*Educational counseling may be considered for up to 50 percent of qualifying experience for assignments in Children's Mental Health.

LICENSE REQUIREMENTS: Possession of one of the following licenses issued by the State of California: Clinical Social Worker; Marriage, Family and Child Counselor; Licensed Professional Clinical Counselor, Registered Nurse; Occupational Therapist; or Clinical Psychologist. If licensed in another state, incumbent must obtain the appropriate license issued by the State of California within twenty-four months from the date of employment. **Additional License/Certificate Requirements:** Possession of a valid California Class C Driver License, or the ability to provide suitable transportation which is approved by the appointing authority. **Alcohol and Drug Assignment:** All persons providing alcohol and drug counseling services within the Alcohol and Drug Program must be certified as an Alcohol and Drug Counselor OR be licensed as a mental health professional,
