# Volunteers Needed!

The mission of Hinds Hospice is to uphold the dignity and ease the suffering of the terminally ill while supporting their loved ones, and those who are grieving.

Patient Volunteer requirements are: 18 or older, attend; three, six hour days of training, pass a full background check, and TB test and complete vaccination requirements before you are allowed to work with patients. Volunteers take the time to sit with patients so that caregivers can take a break. Hinds Volunteers make time to share a cup of coffee, trade stories and wisdom, or simply share the silence. Volunteers will have the satisfying knowledge that they are providing the best possible care for this patient and their family and they are providing it in an environment that the patient finds safe, friendly, secure, and loving...where they live.

You could be a hospice patient's last new friend.

**If you are interested in this opportunity, please contact our  
Volunteer Department at [volunteer@hindshospice.org](mailto:volunteer@hindshospice.org) or (559) 317-6016**

We have an upcoming 3 day Patient Volunteer Training on August 7, 14 & 21.

We would love to have YOU there!
