

Fall 2015 Consejo Graduate Research Assistant

Job Description: Master's student in social work to provide approximately 10 hours per week (including some evening and weekend hours) to assist in the implementation of the Consejo project (an education and training program to increase the number of bilingual/bicultural behavioral health professionals in the Central Valley for MSW students). This experience will provide the student assistant to work closely with several faculty on this project and learn how to manage some aspects of the grant, which is a highly marketable skill. Skill requirements include strong writing and communication skills (Bilingual preferred), knowledge of APA style manual, and some fluency in Spanish. Interested applicants should send their resume's to Dr. Irán Barrera, Department of Social Work Education, at irbarrera@csufresno.edu . In the subject line please put Consejo GA.
