# TECH CRUNCH

**FEBURARY 25, 2015**

Tech Crunch gives Fresno State students, faculty, and staff the opportunity to attend workshops, visit vendor booths, listen to keynote speakers, and a chance for professional networking. Tech Crunch will help you fully utilize your current devices, observe the technology impact, create opportunities, and fully understand technology resources. Help us create the largest technology symposium in the Central Valley. Get excited for TECH CRUNCH in Room 118 of the North Gym on the Fresno State Campus!
