

## *The San Andreas Fault and the Central Coast* *A “Geologic Tasting” of California*

**EES 3 Geology Field Trip, Spring 2014**  
**TENTATIVELY - April 3rd – April 6th 2014**

**1 Unit – Credit/No Credit**  
**designed for non-science majors.**

**This course is a 4 day trip to the Central Coast and Carrizo Plain area. We will be exploring the San Andreas Fault zone as well as coastal erosion and tectonic processes.**

### **SOME AREAS WE WILL VISIT:**

**Parkfield, Ca** – the “Earthquake Capitol of the World”

**Carrizo Plain** – where the San Andreas Fault is readily visible

**Morro Bay** – A rock is worth a thousand words...

**Montana de Oro State Park** – Shoreline geology – terraces, cliffs, and spits

**FACILITIES:** We will be tent camping three nights. No prior camping experience necessary. You will need to bring a warm sleeping bag and a tent. A detailed equipment list will be provided at the first organizational meeting.

**MEALS:** Our staff will prepare both breakfast and dinner each day in camp. Each morning participants will pack lunches before heading out in the field for the day.

**TRANSPORTATION:** Transportation will be in University vans. Private vehicles are prohibited.

**FEE:** \$60 will be billed to your Fresno State account which includes all transportation, camp fees, and meals.

**TO ENROLL:** Contact the EES office to obtain the schedule number and a permission number that will allow you to enroll online through the “My Fresno State” portal. The University will bill you for the \$60 course fee.

**MANDATORY MEETINGS:** There will be two mandatory meetings held before the trip. The first meeting will be held on: February 7<sup>th</sup> at noon in Science 2 room 125. The second meeting will be held on March 28<sup>th</sup> at noon Science 2 room 125.
