Problem Solving Contest
for High School Students

Thursday, November 14, 2019

Education bldg. 140, 5:20 – 7:30 PM

Come and take a challenge in solving interesting problems!

You will be offered several challenging problems and are expected to present full and logically coherent solutions to those problems that you are able to finish solving during the allotted two-hour time interval.

To register, complete the registration form at

<http://www.fresnostate.edu/csm/math/activities-and-events/news-and-events/psc/>.

The registration deadline is Thursday, November 7, 2019.

Winners will be notified by e-mail and recognized at the award ceremony of the Department of Mathematics Day (DMD) on Friday, November 22, 2019.

The 1st place winner is invited to participate in AHS PSC on November 18.
