

Minor In Mathematics

Why Mathematics?

Mathematics is central to life in a technological world. We invite you to explore the wonder and beauty of mathematics with us! Our department is an exciting, friendly, and supportive environment where you will find a strong sense of community among our faculty and students.

Requirements:

The minor requires **20 units** in mathematics that includes a minimum of 6 units of residential and upper division mathematics classes.

Select from MATH 75 (or 75B), 76, 77, 81

And a minimum of any two classes (at least 6 units) from:

General Math: 110, 111, 143, 145, 149, 152, 161, 165, 192

Pure Math: 114, 116, 118, 151, 171, 172

Statistics: 101, 105, 106, 107, 108, 109

Applied Math: 121, 122, 123, 128, 181, 182

To add a Mathematics minor:

Please go to the Advising and Resources Center (ARC), located in the Science I building, room 136 or call 278-4150.
