

California State University, Fresno  
Department of Mathematics  
Problem Solving Contest  
for High School Students

**Wednesday, November 8, 2017**

**Peters Business 011, 5:20 – 7:30 PM**

Come and take a challenge in solving interesting problems!

You will be offered several challenging problems and are expected to present full and logically coherent solutions to those problems that you are able to finish solving during the allotted two-hour time interval.

To register, complete the registration form at

<http://www.fresnostate.edu/csm/math/activities-and-events/news-and-events/psc/>.

The registration deadline is Friday, November 3, 2017.

Winners will be notified by e-mail and recognized at the award ceremony of the Department of Mathematics Day (DMD) on Friday, November 17, 2017.

Questions? E-mail Dr. Maria Nogin ([mnogin@csufresno.edu](mailto:mnogin@csufresno.edu)).
