

Department of Mathematics Problem Solving Contest 2015

Thursday, November 19, 2015

Science 147, 3:30 PM – 5:30 PM

Come and take a challenge in solving interesting problems!

You will be offered five problems not requiring the knowledge of mathematics going beyond MATH 111 and expected to present full and logically coherent solutions to those you will be able to finish solving during the offered two-hour time interval.

To register, send an e-mail stating your full name and Student ID with “Registration for Problem Solving Contest” in the subject line to
Dr. Marat Markin (mmarkin@csufresno.edu),
Dr. Maria Nogin (mnogin@csufresno.edu),
or Dr. Adnan Sabuwala (asabuwala@csufresno.edu).

The Registration Deadline is Friday, November 6, 2015.

Winners will be recognized at the ceremony concluding the Department of Mathematics Day (DMD) on Friday, November 20, 2015.
