This guide is an unofficial document intended to be used for advising and course planning only. This document cannot be used to waive or supercede requirements listed in the catalog. Fulfillment of all University Requirements (including required units) will be determined by the Office of the Registrar.

Additional coursework for medical/graduate programs may not be reflected here. Contact the Pre-Professional Advisor in your area of study for further information.

Notes: Students attempting this program will already have completed Calculus I (MATH 75) through AP Calculus AB; During the summer prior to first year, students will complete a Summer Experience (MSTI).
