

MATHEMATICS MINOR

The minor requires 20 units in mathematics, MATH 75 (or MATH 75B) or above. 6 of the 20 units must be upper division units taken in residence (100 series courses, excluding MATH 100, 133, 134, 137, 138, 139 and 149).

- The minor in mathematics requires a 2.0 GPA.
- All courses taken to fulfill minor requirements must be completed with a grade of C or better.
- Courses in the Mathematics Minor may be taken CR/NC, subject to university requirements.

In order to enroll in Math 75, students must satisfy the following criteria:

- 1) meet the ELM requirement either by passing the ELM exam with a score of 50 or better, or by passing a college-level intermediate algebra course with a grade of "C" or better*
- 2) have taken and passed elementary geometry, intermediate algebra and trigonometry or have taken and passed Pre-calculus*
- 3) pass the department's Calculus Readiness Test*

For information on individual mathematics course descriptions, please refer to the Mathematics Department section in the California State University, Fresno General Catalog.

To declare a Mathematics Minor, please go to the Advising and Resources Center, (ARC) - (located in Science 1 Room 136 and contact at 278-4150).

Any further questions or concerns regarding the acquisition of a math minor may be directed to the Mathematics Department Office.
