## **Professionalism 101: Skills to Succeed & Stand Out**

### **Abstract**

This is an interactive presentation exploring how to:

- Gain a better understanding of what “professionalism” means in a work setting.
- Learn how to stand out as a leader and a team member.
- Practice your networking and interviewing skills to start with a great first impression.
- Improve your communication and conflict resolution abilities.

3:00 p.m. – 4:00 pm Friday, February 21<sup>st</sup> McLane 162
