

GrantLaunch – Kualu Research instance at Fresno State

The screenshot shows the Kualu Research instance interface. The top navigation bar includes the Kualu logo and menu items: RESEARCHER, UNIT, CENTRAL ADMIN, REPORTS, SYSTEM ADMIN PORTAL, and GET HELP. The user is identified as eshimakawa. The main content area is titled 'Submit' and features a progress bar with three stages: Saved, Routing, and Approved. Below the progress bar is a 'Proposal Summary' section with tabs for Proposal Summary, Personnel, Compliance, Attachments, Questionnaire, Supplemental Info, Keywords, and Budget Summary. The 'Proposal Summary' tab is active, displaying a table of proposal details:

Title	THIS IS A TEST! example of routing (hopefully)
Principal Investigator	Ellen Shimakawa
Lead Unit	25165 - Research & Sponsored Programs
Activity Type	Instruction
Proposal Number	10
Project Start Date	01/01/2018
Project End Date	12/31/2020
Include Subaward(s)?	No
Sponsor Name	National Institutes of Health (NIH)
Sponsor Deadline Date	08/31/2017
Sponsor Deadline Type	

Below the table is a paragraph of text: "Approval signifies that the proposed project fits within the academic framework and resources of the unit, requirements for new or renovated facilities/space have been discussed with the appropriate people, contributions listed will be met by the department/college unless otherwise approved, that Conflict of Interest requirements have been addressed, and that Sponsored Programs may process the proposal." Below this text is a row of buttons: Send Adhoc, Ad Hoc Recipients, Approve, Return, View Route Log, Recall, Submit to Sponsor, More Actions, and Close. The 'Approve' and 'Close' buttons are circled in red, and red arrows point to them.
