

LEED GREEN ASSOCIATE EXAM PREPARATION

Dates: Wednesday, Nov 2, 2011 and Thursday, Nov 3, 2011

Time: 6:00 PM – 9:00 PM

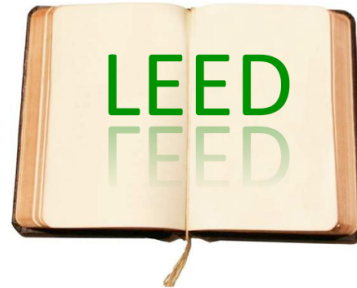

Location: Room IT160 at California State University, Fresno

About this workshop:

This two-night workshop is designed for college students, design and construction professionals, and local government employees who may want to learn more about sustainable buildings and/or are seeking to become LEED Green Associates as defined by the Green Building Certification Institute.

The workshop will provide an overview of sustainable building concepts and metrics with a focus on the U.S. Green Building Council

Leadership in Energy and Environmental Design (LEED) Rating System. The goal is to prepare students to succeed in the LEED Green Associate Exam.

Instructor:

Loren K. Aiton, Architect, LEED AP. A licensed architect for 23 years with the last 7 years focused on sustainable design and construction, Mr. Aiton has intimate knowledge of the USGBC's LEED rating systems and is a recognized LEED expert in the Central Valley.

Registration Fee:

The fee is \$100 for full-time students and \$120 for professionals.

Please make your check payable to "Fresno State Construction Management" and mail it to the following address by **Oct 28, 2011**:

Robin McNeill
California State University, Fresno
Lyles College of Engineering – Construction Management Program
2320 E. San Ramon Ave., MS EE94
Fresno, CA 93740
