Explore Engineering

Lyles College of Engineering

June 20 – June 24, 2016

Lyles College of Engineering's Explore Engineering Program is a five-day, non-residential program held from June 20 - June 24, 2016 at Fresno State. The mission of the program is to educate young middle school students, **entering grades 7, 8 and 9 in Fall 2016**, on the benefits and varied aspects of a profession in engineering. The program focuses on hands-on activities combined with academic lectures that cover various engineering topics such as construction management, robotics and electronics.

Sessions run from 9 a.m. to 3 p.m. and daily attendance is required. Lunch, snacks, and educational materials are included.

Cost of the program is \$150. Scholarships are available to qualified students. Space is limited.

Application Requirements:

- Completion of the attached application.
- A one page personal statement written by the student that expresses their passion for science and/or mathematics and why they would like to attend the Explore Engineering Program.
 - If the student is requesting a scholarship, include a statement of need in this personal statement.

Transportation to and from the program is the responsibility of the parents and/or guardians.
