Fresno State Undergraduate Summer Research Program June 3, 2013 — July 26, 2013

Students Earn a \$3,000 stipend

Eligibility Requirements:

- * US. Citizen Or Permanent Resident
- * Science, Technology, Engineering or Math Major (STEM)
- * Interest in Geosciences (including geology, environmental science, chemistry, ecology and environmental health)
- * Participants must be able to commit to the program full time - no outside employment or summer classes during the program.
- * Open to students from Fresno State and local community colleges
- * Open to all undergraduate students (freshman - senior)

About the Research Program

Participants will:

- ◇ Be matched with a research mentor based on their background/interests.
- ◇ Learn about the research process and opportunities in a series of weekly workshops.
- ◇ Gain scientific research experience in a Geoscience research lab.

How to apply:

- Complete an application:
www.fresnostate.edu/csm/geosciencesmetro/summerundergraduateresearchprogram.html
- Mail it back to the address above or e-mail to rcrews@csufresno.edu.

Deadline: April 26, 2013

This program is supported by the Geosciences METRO Center through funding from the National Science Foundation under grant # GEO-0914718
