Investing involves market risk, including possible loss of principal. There is no guarantee that fund, investment option or portfolio objectives will be met nor that any investment strategy, including asset allocation and diversification, will generate a profit or avoid losses, especially in a down market. Actual investment results will vary, depending on your investment and market experience.

Savings Plus Retirement Specialists are Registered Representatives of Nationwide Investment Services Corporation, member FINRA. Savings Plus representatives cannot offer investment, tax or legal advice. You should consult your own counsel before making retirement plan decisions.
