The effective date for all changes made during open enrollment will be January 1, 2012. Please review carefully all benefits plan options and costs before making any enrollment decisions for you and your family members. This is your once-a-year opportunity to evaluate and make necessary changes to your benefit programs, unless you experience a mid-year Qualifying Life Event.

For your convenience, we have highlighted some important plan changes for 2012, as well as the special enrollment provisions available during this year's open enrollment period.

- CalPERS Health Plan Changes for 2012 CalPERS made important changes to the health benefits coverage effective January 1, 2012. These changes can be viewed on the CalPERS website at: www.calpers.ca.gov. Be sure to review this information carefully to determine whether you want or need to make a health plan change.
- Annual Benefits Fair & Wellness Expo Thursday, October 6, 2011 from 10:00 a.m. to 1:30 p.m. in the Satellite Student Union. Drop-in and visit with vendors regarding health and voluntary benefits plans and the wellness resources available at Fresno State in the community.
- CalPERS Virtual Health Fair This year CalPERS is introducing a new web-based "virtual health fair" for open enrollment. The 2012 Webinar on Health Plan Design, Rate, and Benefit Changes will provide you and your dependents with key information presented by representatives from each of the CalPERS health plans. http://www.calpers.ca.gov/index.jsp?bc=/employer/video/view/2012-health-plan.xml
