

2016 Child and Family Science

# Research in Progress

## February 9th—Rhett Billen

Tuesday, February 9, 2016  
Henry Madden Library Room #3212  
12:30-2pm

*Light lunch provided, presentation and sandwiches to start at 12:30.*

*Please RSVP so we have a headcount for food.*

*[brossett@csufresno.edu](mailto:brossett@csufresno.edu)*

## **Mothing and Fathering Young Children with Special Needs: Handling Issues of Measurement Equivalence and Interdependence**

Dr. Rhett Billen will discuss survey research conducted among mothers and fathers enrolled in a statewide early intervention system. He will discuss methods for examining how mothers and fathers influence their own and one another's involvement with their children.

*Sponsored by the Department of  
Child, Family, and Consumer Sciences  
California State University, Fresno*
