

2017 Three Sticks Harvest Internship

Three Sticks Winery, located in Sonoma, CA, is a premier producer of Pinot Noir and Chardonnay wines. The Three Sticks philosophy is to produce wines of world class quality from exceptional vineyards in Sonoma County, including our estate properties Durell and Gap's Crown Vineyards. We are passionate about what we do and we hope you like the wines as much as we enjoy making them!

We are looking for well-qualified individuals with prior harvest experience to join our team for this 2017 harvest season. Candidates must be passionate about wine, detail-oriented, excited to work hard and have a positive attitude.

Interns will assist in all facets of harvest work including cleaning and sanitizing equipment, sorting fruit, punchdowns, making basic additions and managing fermentations according to winemaker instructions, barrel work, and other winery-related tasks.

Positions will run from early-August through mid-October. We have also been able to assist some interns with follow-on work at other wineries that have later-ripening varieties.

Requirements:

Previous winery experience is required

Forklift experience is a plus

Ability to work long hours and on weekends as needed

Ability to read, write and speak English

Hourly pay is determined based on experience

A J-1 visa must be secured by individuals without U.S. citizenship
