

Alta Colina Winery

Harvest Intern

Paso Robles

Soren Christensen

soren@altacolinawine.com

Seeking a highly motivated individual to help us out during harvest. We are a small family owned winery producing 100% estate wines from our property on Adelaida Road. You will be involved in all aspects of the process from vineyard sampling through fermentation and barrel work. A fair amount of cleanup work will be mixed in but we manage to have fun anyway. There will be many early mornings but we normally finish by late afternoon. Having dependable transportation to and from Paso Robles is a big plus. We aim to make the best wines our vineyard will produce so attention to detail is essential. The term would most likely be from the beginning of August through mid to late October. Please send along a resume and any other info you feel may apply to soren@altacolinawine.com
