

Belle Fiore Estate Vineyard and Winery is a new, state-of-the-art facility in Southern Oregon. We are seeking enthusiastic, energetic and hard-working individuals to join our 2014 harvest team. The right candidates are flexible, dependable, cheerful, interested in wine production and want to be part of a great team.

Essential Duties and Responsibilities:

- Vineyard: crop estimates, maturity sampling
- Perform all aspects of seasonal harvest-related work as assigned. Season harvest duties include driving forklifts, sorting grapes, performing pump overs, punch-downs and racking tanks
- Make chemical additions to wine and juice as directed.
- Operation of crush equipment and presses
- Performing sanitation procedures; assist in set up and clean up activities
- Performing barrel work including, sulfuring, topping, racking and filling barrels
- Forklift operations (if certified)

Qualifications:

- Candidates must be motivated, be willing to work hard, have a “can do” attitude and have at least one prior harvest under their belts.
- They are able to work long hours and varying shifts, six days a week.
- Present a neat, professional appearance.
- Candidates are computer literate with mathematical competency; have good communication skills; have a great attention to detail.
- Forklift certification a plus

Physical demands:

Candidates must be able to lift 50lbs, stand for long periods and be able to climb ladders and stairs.
