

Vineyard Supervisor

Martinelli Vineyard Management
Windsor, CA

Job Description:

Martinelli Vineyard Management is seeking a Vineyard Supervisor for our northwest Sonoma County properties.

Key Responsibilities include, but are not limited to:

- Keep up to date on overall activities of farming goals and practices and report to management.
- Oversee vineyard crew, including but not limited to tractor drivers, irrigators and vineyard workers as they perform pest and disease control, pruning, tying, leafing, frost protection, irrigation, and harvest under the supervision of the vineyard manager.
- Monitor quality of work; assure staff conforms to farming policies, safety policies, and government regulations.
- Provide day-to-day guidance and oversight of subordinates; actively work to promote and recognize performance.
- Transport materials, equipment, and supplies to and from vineyard sites.
- Other duties as assigned by manager.

Qualifications:

- 3 Years of proven, viticulture experience.
- Fluency in Spanish desirable.
- Valid CA driver's license, clean driving record, and maintain a valid Medical Card.
- Valid Class A desirable.
- Basic understanding of equipment operation and maintenance.
- Ability to safely and securely tie down materials or equipment on flatbed.
- Passion, focus, creativity, and positive outlook.
- Ability to perform the physical labor necessary.
- Good communication skills.
- Demonstrate proficiency in supervising and motivating employees.
- Experience with premium wine grape production.

Physical and Mental Requirements:

While performing the duties of this job, the employee is frequently required to do the following:

- Walk, kneel, bend, and stand for extended periods of time, frequently on uneven or steep terrain.
- Lift up to 60 lbs.
- Full time work: Night and early morning hours will be necessary during harvest, frost and other occasions.
