

Agricultural & Standards Student Intern (Classification Title: Staff Intern)
Napa, CA

www.napacountycareers.com

Under immediate supervision, the Agricultural Standards Student Intern would perform routine work in the Agricultural Commissioner's Department. The ideal candidate should possess the following attributes:

- Currently enrolled in college as a junior or senior within an agricultural major or college graduate within the past year
- Be able to obtain and submit letter of recommendation from Agricultural Department head or department advisor
- Ability to work in a fast-paced, quickly changing work environment
- Ability to work collaboratively as a member of the team
- Flexibility and adaptability when performing work assignments while keeping within pre-established deadlines.
