

Groth Vineyards and Winery Harvest Internship

Groth Vineyards and Winery is seeking enthusiastic individuals for production staff internships during the crush of 2015. Experience is preferred and a degree pertaining to related studies would be helpful. However, attention to detail, being able to follow verbal and written instructions, and the ability to work cohesively with other people are most important.

Job duties will include grape receiving, sorting, crushing, pressing, wine/juice rackings, wine/juice transfers, inoculations, nutrient additions, pump overs, barrel prep/filling, winery sanitation, and other general winery operations.

The position(s) will start from mid August to early September and last until the end of the year of 2015. The work will involve assisting our winemaking team in all aspects of harvest production activity.

The winery, located in Oakville CA is a small family owned operation with a professional team oriented workplace. We strive to make the best wine a vintage will allow. Cabernet Sauvignon is our flagship varietal and we also produce quality Sauvignon Blanc and Chardonnay. Please submit resume by email to efidel@growthwines.com, fax (707) 754-4247, or mail to 750 Oakville Cross Road, Oakville, CA 94562 attention: Eric Fidel

Qualifications:

Must have reliable transportation to and from job

CA Driver's License with clean driving record

Strong verbal and written English skills

Ability to lift up to 50 lbs. and be willing to perform physical tasks

Ability to work with other people under stressful situations

Background check required before hire

Salary Information: commensurate with experience
