

Le Vigne Winery is a family owned winery in the Paso Robles wine region that grows and produces estate and vineyard designated Bordeaux, Rhone, Italian varietals and blends. We are seeking motivated and focused individuals willing to actively participate in the winemaking process in all facets of production.

#### Background and Experience:

The ability to communicate clearly and effectively while demonstrating exceptional skills in reading, writing and math is required. Must be able to read and interpret documents, such as safety rules and procedures, and be able to read cellar work orders, count barrels, record times and dates and accurate measurements. Individuals selected for this position must be reliable, punctual and have a good work ethic. Must be willing to work flexible hours including overtime and varying/alternating shifts.

#### Job Duties:

- Assist in receiving and processing fruit
- Sanitation of winery equipment, perform additions to juice, must & wine
- Perform pump-overs/ punch downs
- Juice racking, and wine movements from tank to tank
- Barrel filling, topping, stirring, and racking
- Remove pomace from tanks & presses
- Record data and complete work orders clearly and legibly
- Operate a forklift
- Willingness to work in wet environments, winemaking involves a LOT of cleaning

We are seeking candidates who are detail oriented, organized, reliable, have the ability to multi-task detailed procedures, work independently as well as within a team, and communicate clearly and directly with supervisors. Our team values people who are motivated, have a willingness to learn, have a passion for wine, and maintain a happy and healthy attitude while working long hours in a fast paced environment.

#### Requirements:

Work extended hours and weekends

Must be able to lift 50lbs

The ability to do frequent physical labor, bending, and ascend/descend stairs with a load

Valid driver's license

Reliable transportation required

Industry education is preferred but not necessary

Forklift experience
