

Assistant Vineyard Manager

Moraga Vineyards, based in Los Angeles, is searching for an assistant vineyard manager. The primary responsibility is to assist the vineyard manager in all aspects of vineyard work and occasionally assist the winemaker with winemaking tasks.

Job requirements:

B.S. degree in viticulture or related field

English/Spanish bilingual

Good physical condition

General knowledge of viticultural practices and pest issues

Rudimentary knowledge of winemaking

Ability and willingness to work directly with vineyard crew and perform physical labor

Interest in winemaking work, in addition to vineyard work

Computer literate

Clean California driver's license

Must pass background check

Ability and willingness to work overtime when needed

Please send resume and cover letter to scott@moragavineyards.com
