

## POSITION

Harvest Vineyard Intern

## DATES

Start – Early July 2015

Finish - End of Harvest 2015

Duration dependent on season.

## LOCATION

Pahlmeyer's Napa Valley estate property, and several Grower properties.

## RESPONSIBILITIES

The Harvest Vineyard Intern will work closely with the Viticulture Assistant and the Vineyard Manager. Training will be provided. Duties are, but not limited to:

- Pest/disease scouting and phenology tracking.
- Stem water potential readings with a pressure chamber instrument.
- Collecting maturity samples.
- Processing samples, running analysis (Brix, pH, TA), and reporting results.
- Supervising harvest picks.
- Communicating harvest tonnage and timing with the winery.
- Confirming fruit delivery from vineyard to winery.
- Accurately maintain harvest records and reporting results.
- Participating in fruit processing and other winery duties as needed.

## REQUIREMENTS

- The Harvest Vineyard Intern will provide their own reliable vehicle capable of navigating vineyard terrain. Mileage reimbursement will be provided.
- A positive attitude.
- Attention to detail.
- Affinity for the outdoors.
- Ability to work early morning hours, extended daily shifts, and weekends.
- Some harvest experience required.
- Spanish speaking skills desired but not necessary.

## TO APPLY

Please send a current RESUME and COVER LETTER to [vineyard@pahlmeyer.com](mailto:vineyard@pahlmeyer.com); please use the subject line, "VINEYARD INTERN 2015".

Emails only, please.
