

Quintessa, a 280 acre estate in the Rutherford appellation of Napa Valley is currently accepting applications for harvest cellar interns. Our estate is dedicated to producing one wine of the highest quality each vintage. Employment will generally last from the end of August through mid-November. Previous harvest experience is preferred but is not required. However, a positive attitude is a must, as is the ability to work well with others through long days of physical work.

Duties include but are not limited to:

- general sanitation of cellar equipment
- grape receiving and sorting
- fermentation monitoring
- receive and prepare new barrels
- inoculations
- pumpovers and nutrient additions
- barrel spinning and nutrient additions on barrel ferments
- draining and shoveling tanks
- assist on pressing red lots
- barreling down red wines
- stir and top red lots in barrel
- assist on adding SO₂ to finished lots
- sampling red fermenters
- sanitation of all of the crush equipment at the end of harvest
- general winery cleanup
