

**Position/Title:** Harvest Enologist - Intern

**Job Location:** Lodi, CA

**Job Category:** Winemaking and Production

**Company:** Lodi Vintners

**Type of Work:** Seasonal F/T, possible full time opportunity for the right candidate

Description:

Lodi Vintners INC is seeking a harvest enologist to augment our winemaking team at our Custom Crush Acampo Winery.

The Enologist, under the direction of the winemaker, will have responsibility for performing routine and specialized laboratory analysis and keeping records of the same. The Enologist will also have responsibility for certain unit operations as assigned by the winemaking team and assist in all winery operations as needed. You will also have the opportunity to work with our state of the art Flash Détente unit.

Ideal candidate will have or pursuing a degree in Enology or related field of study as well as some experience/familiarity with winemaking in general. Background/training in chemical and physical analysis is a strong plus for this position as is computer record-keeping skills. In addition to being energetic and ambitious, the position requires working extended hours and weekends during the harvest season. Strong time management and organizational skills are a must. This is a physically demanding position and requires the ability to lift & carry up to 50 lbs, ability to climb stairs and work at heights, ability to work in changing conditions.
